BEST TATTOO STUDIO **SUPER GENIUS TATTOO**

(Capitol Hill, 1017 E Pike St.; 206.322.1630; supergenustattoo.com) Located substreet level on Capitol Hill, Damon Conklin's Super Genius Tattoo has neighborhood hipsters lining up for some of the best subdermal artwork around. A dedicated tattoo shop (no piercing), Super Genius is the perfect place for tattoo newbies to get their first tiny ankle dolphin. Thoughtfully provided on the Web site is a first-timer's walkthrough, so the introductory trip to the tattoo shop is a little less intimidating. Just do the courtesy of letting Mom know about the heart with her name on it in advance.
